Membership Matters, Join Today!

For over 30 years, our 501(c)3 nonprofit has brought enrichment and superior art education to adults and children from throughout the Midwest and improved the quality of life in Polk County. In 2014, we served nearly 15,000 children and adults through our community outreach, special events, gallery visits, classes, and workshops.

Did you know that it costs \$50 to sponsor a child's education, \$2000 to purchase supplies for our summer art camps or \$7000 each year to maintain our two gallery spaces? Tuition fees only cover 30% of our costs. The rest must be raised through individual contributions, grants, sponsorships and memberships.

Your membership supports our mission and **you'll receive benefits in return. An individual membership of \$30 makes you eligible for 20% discount on all classes, special rates on workshops, our monthly e-newsletter, exhibit in our yearly member's exhibit, and receive early invitations to special events. Members contributing \$100 or more receive all these benefits and a gift from the Ankeny Art Center.**

All memberships are valid for one year from the date of sign up.
